Dear Timothy,

As President & CEO of the Vinyl Siding Institute (VSI), I congratulate you on becoming a VSI Certified Installer. By completing the course and/or passing the examination about proper vinyl siding installation techniques, you join the top vinyl siding installers in the U.S. and Canada on this prestigious list. We trust that you will use your skills and knowledge to install every vinyl siding job with care.

Do you want to promote your certification and get more vinyl siding jobs? If so, use these tools available to VSI Certified Installers:

- A Certified Installer ID badge with your name, picture, and expiration date
- You will receive an electronic copy of the VSI Certified Installer logo and instructions for its proper use.
  - Please review these instructions before using the logo on your business cards and other marketing materials
  - If you have not received your electronic version of the logo via email, please contact DataBanque at (877) 627-8997 or [VSISupport@databanque.com](mailto:VSISupport@databanque.com).
- The enclosed brochure, *Your Home Deserves the Best: Use a Certified Vinyl Siding Installer*, is designed to help you tell customers why they should choose you over other vinyl siding installers and what it means to be certified through the *VSI Certified Installer Program*
- Tips for selling jobs are included in the enclosed flier, *How Can You Get More Vinyl Siding Jobs?*
- Visit VSI's website, [www.vinylsiding.org/ciresources](http://www.vinylsiding.org/ciresources), often for updated tools available to Certified Installers; each tool is designed to help you promote your Certified Installer status
- You are now listed on the *Official Registry of Certified Installers* [www.vinylsiding.org/vsicert/programs/find](http://www.vinylsiding.org/vsicert/programs/find).
- Promote your Certified Installer achievement using the enclosed press release. Simply fill in your information, then send it to the editor of your local newspaper
- Truck magnets are available for purchase; simply visit [bit.ly/VSIMagnets](http://bit.ly/VSIMagnets) to order yours
- You will automatically receive *Certified Installer e-News*, an e-newsletter with hints on how to promote your Certified Installer status, along with other helpful information

If you have any questions or suggestions on how to improve the program, or if your contact information changes, please contact DataBanque at (877) 627-8997. Please keep your contact information current, as you will be contacted by DataBanque when it is time for retesting and recertification, which you can complete online using VSI's *Vinyl Siding Installation Manual*.

Thank you for your participation in the *VSI Certified Installer Program*, and please let us know if your certification grows your business.

Sincerely,

# CRANEBOARD<sup>®</sup>
